

Canadian Subsidiaries

Between Europe and the United States there is Canada.
It's a Whole New World.

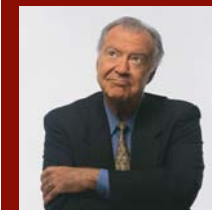

Canada is one of the most prosperous and forward-looking nations in the world. It's a wonderful place to live, work and play. Its excellent infrastructure provides easy access to the North American market. And its workforce is among the best-educated and trained in the world. In addition, costs in Canada are lower than in the USA, Great Britain, Japan, and many European countries.

Dale & Lessmann LLP serves world business in the Canadian market. Based in Toronto, Canada's financial capital, we have the experience and the expertise to help off-shore businesses gain a foothold in the North American market place.

We currently serve subsidiaries in a wide range of industries, including industrial manufacturing, food production, telecommunications, infrastructure, consumer product manufacturing, financial services, automotive parts manufacturing, engineering, chemical products manufacturing and construction.

If you are thinking about entering the North American market, Dale & Lessmann LLP is well-equipped to provide prompt, cost-effective, accurate legal advice.

We can help you get here.
